

STARTING AUGUST 29!

# LITTLE ALCRON

Little Alcron – Introducing kids’ day at the Alcron Hotel.  
While your children play – Moms and Dads can spend time alone  
enjoying a delicious Brunch.

Join us at the Alcron Hotel where children can participate in a wide range of developmental games and contests while their parents enjoy a delicious buffet lunch featuring hot and cold dishes, salads and desserts. The children’s events are sponsored by Mrs. Kozakova from the Early Learning Center in Prague and include a variety of activities directed by professional animators and creative instructors.

The price for the Brunch is 790 CZK per person for adults including non-alcoholic beverages. The price for children, whose parents attend the Brunch, is 250 CZK per child and includes a healthy meal and drinks, as well as full participation in the complete children’s program featuring fun and challenging games, workshops and contests. This price is available for up to four children per family. The price for children, whose parents do not attend the Brunch, is 700 CZK per child.

Kid’s Day at the Alcron Hotel is held every other Saturday from 12 noon to 4:30 pm in the Crystal Ballroom; the parent’s Brunch is served in the La Rotonde Restaurant. The specific dates for the event are available at [www.alcron.cz](http://www.alcron.cz).
