

PwC's Academy and Nottingham Business School are delighted to announce:

Postgraduate Diploma in Human Resource Management

This internationally recognized education programme will lead you to the award of a University Postgraduate Diploma in HR Management and membership of the professional body for HR specialists – the Chartered Institute of Personnel and Development (CIPD).

Who is it for?

The programme is aimed at HR managers with a Degree or qualifications deemed to be equivalent by the University, along with at least five years of experience in an HR environment (or the equivalent). You will also need a good level of English language as all modules are delivered by native speakers.

Go ahead.

CIPD membership keeps you up to date with developments in the fast-changing HR profession, ensuring professional recognition in the workplace.

**NOTTINGHAM
BUSINESS SCHOOL**
Nottingham Trent University

The Academy

What's in it for me and my business?

The aim of the CIPD Postgraduate Diploma in Personnel and Development is to prepare individuals for effective and efficient performance in a variety of professional roles in people management and development.

The content of the programme covers all of the substantive areas of HR:

- **Resourcing**
- **Relations**
- **Rewards**
- **and Training and Development**

In addition general management concepts are covered as is the business context meaning that the relevance of Human Resource Management in the Czech Republic is focused on, whilst also drawing on international comparative analysis. The Postgraduate Diploma is achieved through meeting the educational standards contained in fields one, two, three and four of the Chartered Institute of Personnel and Development's (CIPD) Professional Development Scheme, and leads to graduate membership of CIPD.

Programme structure

- The programme format is spread over 16 months and consists of 7 workshops every 2/3 months (there will be 28 teaching days in total)
- Participants will also need to carry out research and produce reports for assessment during the programme
- All of the training modules will be run in The Academy premises in Prague, usually from Wednesday to Saturday
- All teaching will be delivered by the faculty of Nottingham Business School in the English language
- Participants will need to complete written research assignments for assessment by the faculty

See detailed course programme for contents of the modules. Programme starts in June 2013.

About CIPD

The Chartered Institute of Personnel and Development (CIPD) is a globally recognized institute with over 135,000 members and almost 4,000 international members in over 120 countries. It is looked to globally as a leader in supporting the practice of and research around the human resource profession. Chartered membership is increasingly being recognised by large employers outside of the UK as a standard for human resource practice. Demand for CIPD courses and qualifications, particularly in emerging markets is growing and Nottingham Business School is a leader in this HR Education field.

Benefits of the programme

- **Improved knowledge and competency** in the following:
 - implementing and managing effective people management and development strategies
 - demonstrating a wide range of management skills, competencies and knowledge
 - exercising greater influence within your organisation
 - demonstrating a greater understanding of the business environment
 - helping attract, retain and develop people needed for organisational success
 - effectively managing and communicating organisational change
- An internationally recognised **Diploma qualification from a leading UK business school**
- **Graduate membership CIPD** - a Global Professional Institute in Personnel and Development; membership includes exclusive access to professional resources and tools, online learning journals and monthly magazines, extensive library of HC professional resources and CPD tools; membership of special interest forums and annual conferences and seminars
- Membership of **a learning community of key HC leaders from leading organizations** in this region – an excellent networking and benchmarking opportunity

„I think the most important thing that I’m taking away from CIPD is the realisation that I can make a difference.“

„It helps me day to day – we were designing a dashboard in parallel with studying HR metrics and scorecards. Result – right metrics on the dashboard and done in half the time!“

„It’s hard work but it’s worth all the effort and above all it’s a great team working experience for a group of HR professionals.“

.....
