THEME WEEKEND CUCINA ITALIANA

We have prepared the first theme weekend for you!
Come with your children or friends for a weekend full of fun and exciting experiences.
We look forward to seeing you **the first summer weekend, 21-23.6.2013.**

What can you expect?

Feel the **taste of Italy** and immerse yourself into the world of Italian wine producers with Jovo Savic, the owner and chef of KOGO restaurant, in which you will learn the simple steps to prepare authentic authentic Italian specialties. Enjoy your own creation and have a delicious Italian dinner and wine.

As an **accompanying program** for your entire family, we have prepared an Adventure park, which is located only a pleasant walk away (200m) from the hotel, where you be able to experience a giant swing, a bungee trampoline, a children's rope castle and a climbing wall.

A picnic on the grass right next to the hotel - blankets, pillows, a children's playground, a trampoline, drawing with chalk, scooters available for rent, babysitting, sitting on the terrace – you can fully relax, feel rejuvenated by the mountainous countryside, experience great service and unique moments.

For you and especially your children, we are currently preparing **more themed weekends**, focusing on:

- ✚ ZUMBA dance,
- ✚ modeling lessons in a professional photo shoot,
- ✚ healthy lifestyle
- ✚ and nutritional advice
