Dear ladies and gentlemen,

It is our pleasure to invite you to the **15th meeting of the Business Continuity Forum platform**, the objective of which is sharing of experience in the field of business continuity management, restoration of strategic processes and risk management in our companies.

At this meeting, we will be discussing the current trends, projects, and topics. We will present you specific cases of **risks associated with buildings** and efficient ways to prevent them from occurring. We will explain to you the potential forms of the term blackout and its possible scenarios. Last but not least, we will discuss the importance of a company's elaboration of the business impact analysis (**BIA**).

When:

17 June 2021 from 3 p.m. – 4.30 p.m.

Where:

Online from PwC

[Register here](#)

Practical experience will be shared within the panel discussion by our **guests from ČEPS, Cushman & Wakefield, and GasNet.**

The presenter of the meeting will be **Michal Wojnar**, Cyber & Privacy Leader PwC
